

Internship: Software Developer

Job description

We are looking for students (f/m/div)* with the willingness to work in a challenging environment within a highly motivated international team. Apply now for this internship in Villach and support our team.

In your new role you will:

- Implement and support **Windows client desktop applications**
- Implement and support **Web applications**

Further information:

Type of employment: Temporary / part-time (Flexible working hours from Monday to Friday between 6 a.m. and 7 p.m.)

Duration: min. 6 months

Profile

You successfully meet the requirements if you are a motivated and committed student (f/m/div)* from the field of **Informatics** or similar. You are best equipped for this task if you additionally offer:

- Experience in **C# development**
- Experience in **SQL database creation and optimization**
- Experience in **client service architecture**

Furthermore, you fully agree to these statements:

- you like to work in **teams**
- you work **independently** and **solution-oriented**
- you respond to business needs

This position is subject to the collective agreement for workers and employees in the electrical and electronics industry (full-time), employment group B for bachelor students, employment group D for master students (<https://www.feei.at/leistungen/informations-service/mindestlohne-und-gehalter-2020>).

Please attach the following documents (English) to your application:

- Motivation letter (English)
- CV
